# THE SENIOR HR LEADER DEVELOPMENT WORKSHOP

## WHO SHOULD ATTEND AND WHY

This workshop is designed for Human Resources professionals who are:

- Currently Senior Leaders looking to refresh or refine their skills
- Likely successors in your organization who can benefit from this development opportunity
- Aspiring HR professionals for whom a Senior HR leader role is the next step

## WHAT YOU WALK AWAY WITH

- A framework on how the Senior HR role is evolving in today's economy
- The key skill sets that distinguish each step along the HR career path
- A clear understanding of how your traits/behavioral tendencies compare with the "essential traits," "desirable traits" and "traits to avoid" for the top HR leader role in the organization
- A customized, reality tested development plan
- An expanded professional network

**CANCELLATION POLICY:** If you cancel within 14 days of the workshop, you will receive a \$75 refund.

## PROGRAM FORMAT

- You will spend 20 minutes completing the online Harrison Assessment prior to the workshop
- Participate in a lively and informative half-day workshop in which you will receive multiple development reports, learn about traits-based development, the power of achieving balance between related traits, and develop a plan to get you closer to your career goals
- A one-hour call with a certified coach to more intimately debrief your assessment results and refine your development plan. This workshop is facilitated by a former global HR leader and a talent assessment expert

## YOUR INVESTMENT

The cost is \$200 payable at the time of your registration. The fee includes: your Harrison development report, workshop materials, and a one-on-one follow-up coaching discussion about your results and plans. Checks and credit cards accepted.

*When I discovered the Harrison Assessment I was looking for a tool that would allow me to both develop my new HR team and enable more sophisticated interventions at my company. The Harrison was complex enough to challenge my excellent group of HR professionals and give them tools with which to hire, develop, engage and retain our leaders and workforce. The Harrison has taken my career to another level entirely and continues to stretch our HR team as a whole.*
